

THE CAMBRIDGE SERIES

Warranty

Manufacturer warrants that its garage door will be free from defects in material and workmanship for a period of one year from the date of purchase, provided it is properly maintained and cared for under normal use and service. Cambridge sections are warranted against delamination of Extira® overlay for a period of five (5) years. This warranty is expressly made in lieu of all other warranties, expressed or implied. The liability of the manufacturer shall be limited to replacing the material or part found to be defective and manufacturer shall not be liable for any loss or damage, either direct, indirect, incidental, or consequential arising out of use or installation of its garage door. Labor charges for installation shall be the responsibility of the owner.

This warranty also does not apply to any damage or deterioration cause by abuse, improper installation or handling, applied paint failure, or failure to provide reasonable or necessary maintenance, alterations and/or additions to door, or presence of foreign substances. All other warranties, express or implied, including any warranty of merchantability are hereby expressly excluded. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.
