

# THE LANCASTER SERIES

## Warranty

In addition to the standard Three Year Hardware Warranty, General Doors Corporation warrants the door sections of its Lancaster Series door against deterioration due to rust resulting from the paint finish cracking, splitting, or peeling in residential single family installations for as long as the original purchaser owns his home. Lancaster door sections are warranted against overlay delamination for a period of five (5) years. Application of a non-factory paint finish voids the delamination warranty. The overlay is warranted for ten (10) years against excessive discoloration on non-machined surfaces. If your garage door does not conform to these warranties, notify the dealer from whom the door was purchased. If any door sections are found defective upon inspection by an authorized General representative, General Doors will replace or repair, at its option, the defective sections.

This warranty covers the door section(s) only, and does not apply to the other parts of the garage door or its operating hardware. This warranty also does not apply to any damage or deterioration caused by abuse, improper installation or handling, applied paint failure, or failure to

provide reasonable or necessary maintenance, alterations and/or additions to door, presence of foreign substances or atmospheric conditions including but not limited to coastal areas subject to excessive salt atmosphere. Labor charges for installation shall be the responsibility of the owner. General Doors is not liable for consequential or incidental damages, or for any other direct or indirect cause.

All other warranties, express or implied, including any warranty of merchantability are hereby expressly excluded.

This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.
